

CenterEdge Play™

A Reliable, All-in-One Cashless System Backed by the CenterEdge Team You Know and Trust

CenterEdge Play is the powerful, fully integrated cashless solution for family and location-based entertainment centers, amusement parks, and multi-attraction venues. Seamlessly connected with the Advantage Suite and CenterEdge Payments, it simplifies guest interactions across games, attractions, kiosks, vending, and more, for a truly unified facility management experience.

Integrated Cashless Solution

Bring every part of your guest experience together into a single, connected system. CenterEdge Play seamlessly ties game room and attraction management into a single, streamlined workflow. From the moment guests tap to play through their final redemption, every interaction syncs effortlessly for smoother operations, comprehensive reporting, and happy guests.

Cashless Kiosks

Give guests the power of self-service with sleek, intuitive kiosks for purchasing and reloading game cards or wristbands, checking balances, and viewing winnings. Designed for speed, reliability, and ease of use, these kiosks shorten lines, reduce staffing needs, and fit seamlessly into your facility's flow—so your team can focus on service, not transactions.

Cashless Readers

Designed for speed and flexibility, these modern, high-performance readers deliver instant, frictionless play. Offer the ultimate flexibility with tech that accepts game cards, wristbands, credit cards, and mobile wallets. Their sleek design and proven durability ensure dependable performance in any environment.

Unattended Payments

Unlock new revenue streams that virtually run themselves. Outfit claw arcades, vending machines, photo booths, and other unattended attractions with CenterEdge Play readers to monetize unused spaces—indoors or out—without full-time staff. Durable hardware, remote management, and seamless integration with Advantage give you complete control and effortless oversight.

“CenterEdge Play offers everything - at a much more affordable cost. It's reliable, powerful, and doesn't break the budget.”

-Chucky Blalock, Owner, Top Concepts
